Acting Deputy to the DCI for the
Intelligence Community

SUBJECT: Comments on Title II of the Draft Senate Select
Committee on Intelligence Bill

1. The DCI has been requested by the Assistant to the President for National Security Affairs to assume primary responsibility for composition of proposed positions for the Administration on statutory charters being prepared by the Senate Select Committee on Intelligence (SSCI). The DCI has delegated his responsibility for coordinating the Community position on statutory charters legislation to the IC Staff.

SUBJECT: Comments on Title II of the Draft Senate Select Committee on Intelligence Bill

2. Attached is a copy of the current draft of Title II, "Intelligence Activities and Human Rights," of the Bill the SSCI intends to introduce shortly as the National Intelligence Reorganization and Reform Act of 1978.

3. Some organizations of the Executive Branch have conferred directly with SSCI staff members while this Title was in the process of development, but a Community position now should be prepared which the DCI can submit to the NSC Special Coordination Committee.

4. Accordingly, it is requested your representatives bring the comments of your Department or Agency to a meeting at 1000 hours, Thursday, 26 January, in the NFIB Conference Room, 6W02, Community Headquarters Building, 1724 F Street.

5. By separate memorandum, the heads of the various organizations of the Intelligence Community have been requested to submit their comments on Title II to the appropriate General Counsel.
